Earn 14 CEs

# 5th International Colloquium on Hyperemesis Gravidarum

Join us for the International Colloquium on Hyperemesis Gravidarum (ICHG). ICHG is a biennial conference featuring top scientists, clinicians, and patient organizations specializing in HG management. Attendees can earn up to 14 CEs (AMA, ANCC, and CDR credits) at this conference.

## Why Attend

- ✓ Examine genetics and cause
- ✓ Develop nutrition recommendations
- ✓ Participate in shaping the future of HG research and care
- ✓ Discuss the latest in HG management

## Conference Sessions

- Genetics and science behind HG
- Clinical Trials Results and Challenges
- Nutritional needs, risks and guidelines
- Improving Patient Experience
- Networking opportunities
- Difficult cases
- Cannabis and HG
- Anti-Bias Training

## Speaker Preview

- Kizza Blair, MD
- Aimee Brecht-Doscher, MD
- Marlena Fejzo, PhD
- Iqra Khan, CMC
- Eileen O'Brien, PhD
- Anne Ostefeld, MD, PhD
- Stephen O'Rahilly, MD
- Jone Trovik, MD, PhD
- Amy Valent, DO
- Marc Vaudel, PhD
